Graffies Coffins for All.

At 11 o'clock to-oight the list of employes of mines No. 6 and No. 8, at Monongah, had been checked off, showing that \$80 were in the two mines when the explosion occurred. Neither entry has been opened to the real workings and the indications are that a majority, if not all ranght in the mine are dead.

It is reported here that the mine officers have ordered 38c coffins shipped to Monongal, as soon as possible. Clarence W. Watson, of Baltimore, president of the mining company, was at Farkersburg. W. Va., when the explosion occurred, and chartered a special train to bring him to the scene.

Old Coughs

Keep in close touch with your family doctor. No medicine was ever made that could take his place. Trust him at all times. Old coughs, desperate coughs, rasping coughs, extremely perilous coughs, coughs that shake the whole body. It takes a strong medicine, a doctor's medicine, to master such coughs. A great many people rely on Ayer's Cherry Pectoral.

MONEY FOR VA. SCHOOLS SITUATION WORSE

The State Department of Education yesterday completed the second apportionment of school funds for 1997 among the various cities and counties. This fund was taken from the current revenues and amounted to \$987,805,40. The apportionment given out some weeks ago was of the appropriation made by the last Legislature out of the treasury. Taking the two apportionments together there is an increase over 1996 of about 8 cents per child. Based upon population, the apportionment made yesterday is as follows:
